Farms and Acreage DURING OUR TIME WE HAVE SEEN some cracking good land values. But we can truthfully say that we never have seen or heard tell of values equal to "Mosida-by-the-Lake" irrigated land. The location is one of the best in the entire west. There is an abundant supply of water. Soil is very rich. All modern conveniences. And the price is only \$100 per acre, on ten years' time. There are only 150 tracts in this project, a great part of which have been sold within the last 40 days. If you expect to get one you'll have to hurry. Either wire, write or phone today for inspection appointment and detailed information. National Savings & Trust Co., top floor Walker Bank building, Sait Lake City, Utah.
